PROFESSIONAL EXPERIENCE

PEDIATRIC NURSE

Advent Health Center, Miami, FL
May 2016 -Present

- Provide pediatric nursing care in a medical center with 150-beds and a 1:6 patient ratio and coordinate with medical teams to maximize the efficiency of clinical operations, resulting in a 10% reduction in the average length of stay
- Improve the timeliness of patient care delivery and reduce average wait times from 45-minutes to 35-minutes by streamlining clinical workflows
- Drive initiatives to enhance the delivery of patient-centered care, deliver education to patients and families and serve as patient advocate throughout treatment

PEDIATRIC NURSE

West Beach Medical, Miami, FL
May 2011-May 2016

- Delivered quality pediatric nursing care to patients in a high volume hospital with over 200-beds, which included monitoring patient condition, coordinating intake and discharge, administering medication, and providing education on treatment and diagnosis
- Performed physical examinations to obtain medical health histories for patients, analyzed diagnostic tests, and conducted medical interventions
