A Certified Welder with two years of professional experience, specializing in Arc, MIG, and GMAW welding. Adept at analyzing blueprints to ensure exact measurements for a variety of welding activities, including metal fabrication, soldering, and pipe welding.

Education

Associate of Applied Science
(A.A.S) Welding Technology
Wayne County Community College,
Detroit, MI
September 2018 - June 2020

Key Skills

- ♦ Metal Fabrication
- ♦ Arc Welding
- ♦ MIG Welding
- ♦ OSHA Safety
- ♦ Blueprint Reading

Certifications

- ♦ Certified Welder (CW), AWS, 2020

Professional Experience

Welder

Orson Metal Fabrication, Detroit, MI | October 2021 - Present

- Perform welding activities on ferrous materials, non-ferrous materials, and alloys, including fabricating, cutting, and melting in alignment with specifications and requirements
- Analyze blueprints, diagrams, and sketches to ensure exact measurements during welding
- Utilize pneumatic, electric, and hand tools in compliance with OSHA safety regulations

Apprentice Welder

Orson Metal Fabrication, Detroit, MI | June 2020 - October 2021

- Provided support to the Lead welder with stick and MIG welding tasks, maintained tools and equipment, delivered supplies, and performed minor equipment repairs
- ♦ Conducted welding tasks under the supervision of licensed welders and ensured exact measurements
