Professional Experience

Construction Project Manager
Smithson Development Company, Los Angeles, CA | July 2015 to Present

- Oversee construction projects worth \$3M on average
- Coordinate internal resources and outside consultants to ensure timely project completion
- Manage any changes to project scope, schedule, and budget
- Forge strong relationships with clients, vendors, and other stakeholders

Highlight:

- Established new system for separate tracking of project next steps and client appointments. Measure led to better internal communications and a more seamless customer experience

Project Manager Assistant
Lee Consulting Company, Pasadena, CA | May 2013 to July 2015

- Delivered proposals, answered client calls, and reviewed invoices
- Responded to RFPs by gathering estimates and other documentation
- Ordered and routed project materials to the appropriate manager
- Entered project expenses into accounting system
