PROFILE

A Certified Medical Surgical Nurse with seven years of professional experience, specializing in surgical care, patient education, and treatment plan development. A strong background of collaborating with interdisciplinary healthcare teams to deliver patient-centered care within high-volume acute surgical environments.

PROFESSIONAL EXPERIENCE

Medical Surgical Nurse

New York Presbyterian Hospital, New York, NY | April 2017 - Present

- Collaborate with interdisciplinary teams to analyze patient data, evaluate diagnosis, and implement treatment plans based on symptoms, age, and mental health needs
- Deliver patient-centered care in a 50-bed hospital with 1:6 patient ratios and educate patients and families on prognosis, treatment plans, and at-home care
- Administer medication, perform physical examinations of patients, collect blood samples, deliver IVs, and perform EKG testing

Medical Surgical Nurse

New York City and Health Hospital, New York, NY | June 2014 -April 2017

- Conducted patient assessments, coordinated triage, documented and evaluated patient symptoms, and developed treatment plans with physicians and interdisciplinary medical teams to provide high-quality care in a 35-bed hospital unit
- Ensured compliance with infection prevention procedures and hospital safety guidelines
- Administered medication, supported physicians during invasive procedures, non-invasive procedures, and exams, and conducted medical testing
